CLASSICS ON SHOW 2016 – VEHICLE BOOKING FORM

Web Address: www.classicsonshow.co.uk

Please print the attached form, complete your details and mail to the address below, enclosing an A5 (C6) stamped self-addressed envelope (for all applications) and a cheque for £4.50p for an Event Plaque should you wish to purchase one. There is no entry fee to display vehicles at the Show, but all exhibitors are requested to pre-register in writing on the attached form in order that an Exhibitor Pass can be provided for each vehicle. We cannot guarantee vehicle admission to the event without an Exhibitor Pass. Please note that in order to qualify for showing all vehicles must be at least 25 years old or of **exceptional** interest, for example; a vehicle of particular historical interest.

The deadline for return of completed booking forms is **Wednesday 1st June 2016** in order to allow time for Exhibitor Passes to be printed and delivered before the Show. After this date classic car owners may still bring their vehicles to the event, but entrance to the Showfield will be subject to space being available.

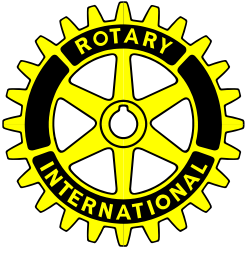

On receipt of a fully completed booking form each display vehicle entered will be sent a pass allowing entry to the site on **Saturday 18th June 2016** for the vehicle and up to TWO adults and TWO children under 16 years of age. Any additional adults arriving in the vehicle on the day will be required to pay the normal visitor admission fee of £5.00 on entry to the Showfield. Exhibitors should check the gate opening time with the Exhibition Manager on 07931 043652 if planning to arrive before 9:30am on the day of the Show.

For the convenience of Classic Vehicle Clubs, the Club Secretary/Organiser may submit a single booking form indicating the number of vehicles to be exhibited, and the requisite number of Exhibitor Passes will be sent to the Club contact for distribution to members. It will be the responsibility of the Club contact to ensure that all vehicles arrive with a valid Exhibitor Pass. Please indicate the details and type of each vehicle to be exhibited together with any special requirements within the Showfield, e.g. size of exhibition space required for traction engines, buses or other unusual vehicles. The Showfield is regularly used for a large regional Agricultural Show so access for large and/or heavy vehicles will not normally be a problem.

Please see our website for location details and site information. The Showfield is located very close to a large Co-op Supermarket and the historic Stokesley town centre with a range of restaurants and real ale pubs as well as the usual country town facilities are a two minute walk away. Hotel and bed-and-breakfast accommodation is available locally if required. Camping is available on the Showfield by prior arrangement.

Please return completed forms to:

Norman Baker, 7 High Street, Great Broughton. TS9 7EW.
